

Image Rights Authorization Form

I,

Last name.....

First name.....

Function.....

yield to the Institut Supérieur de l'Aéronautique et de l'Espace - ISAE the rights to use my image (photograph or / and video capture) in the following situations:

(please check the corresponding boxes below)

- Conferences, seminars;
- Trade Shows;
- Courses, tutorials, labs;
- Institutional public events (open house);
- Institutional private events (type family day);
- Photographic reports and video reports organized by the services of ISAE

And for the following purposes:

(please check the corresponding statements below)

- Internal Communication
- External Communication (communication devoted to industrial and institutional partners or for advertising purposes, or as part of PR)
- Internal directory of staff and students

Additional information:

- 1) The images collected through this authorization may be used in any medium of communication including paper and / or computer and digital.
- 2) Internal directories of staff and students are only for professional use. These directories will not be disclosed to anyone outside ISAE. Moreover, they will in no way be used for commercial or political purposes. Identity photographs are retained for the duration of the presence of M..... (full name) within ISAE. They will be destroyed at the end of the contract/engagement or upon graduation/leaving school.
- 3) Photographs of staff and students can be used by ISAE within a maximum of five (5) years after the end of the contract/engagement or upon graduation/leaving school.
- 4) The undersigned acknowledges that an event in which s/he participates can be broadcast live or recorded for later broadcast. In all cases, the event is recorded in an audio-visual digital format retained by ISAE. This media can be broadcast on the Internet at the initiative of ISAE services.

Signature

Data collected may be stored digitally for processing the individual's image. The recipients of the data are the different internal departments. Accordance to French law "Informatique et Libertés" dated 6 January 1978 and amended in 2004, the person has a right to access, rectify and oppose any information about them. This right can be exercised through the ISAE Privacy Correspondent (cil@isae.fr).
